Lesotho

African Proverb

Wool already touched by fire is not hard to set alight.

A good description of how we should be as followers of Jesus Christ, don't you think?

The Flora Family

Jim and Teresa Flora, missionaries to Lesotho, Arica

We are here! Africa is more than we could have ever imagined! God has been more than faithful in our 10,000 miles of travel in the past week. We were received in Africa by our team leaders Alan and Babs Dial. They have welcomed and loved us. It is so hard to believe we are finally here!

The Basotho people are beautiful!

We have been trying our handful of Sesotho words and a man actually understood when Teresa asked him how he was doing!

We will continue training here in Maseru until April 14th and then we will return to Jo'Burg for more meetings.

Continue to pray...

...praise to Him for His unfailing love and faithfulness to the Flora family!

...for the Flora family as they adjust...especially the girls.

...the Person of Peace in the Mokhotlong village.

...spiritual awakening among the Basotho.

...for a house for the Flora's near or in Mokhotlong.

...LANGUAGE LEARNING! Pray twice for this one!

PRAY ABOUT HOW YOU MIGHT BE INVOLVED TO REACH THE BASOTHO IN LESOTHO!
