

The Flora Family to Lesotho, Africa

Date March 1, 2009

Going

Only 3 more weeks and we are on our way to Africa! It is hard to believe that all of our “waiting” is about to come to an end. We will then begin the next part of the journey that will lead us to Mokhotlong, Lesotho and the Basotho people. We have a few more things to learn before we leave Richmond-

- Contingency Training begins this week-”What to do when things go wrong.”
- How to help your marriage survive overseas missions
- Healthy Living Overseas-Part 3
- Vaccination Clinic #3
- Servant Leadership
- Church Planting continues...
- Regional Leadership Team Training for Central, Eastern, and Southern Africa
