

# The Flora Family in Lesotho, Africa

POB 462, Ladybrand 9745, Republic of South Africa • <http://jflora.wordpress.com/>

## Praising...

**Language study is progressing** We are involved in ministry in several villages in Katse region which gives us many opportunities to practice our language learning. **We have several volunteer teams already committed to serve along side us in**

**2009, 2010, 2011, and 2012.** We are in the process of setting our "moving" date to Mokhotlong region. **Our crate is in Lesotho, but has not yet cleared customs.** The girls are adjusting and beginning to step out, involving themselves in ministry to the Basotho. **Only one more vaccination and we are done!**

## Praying...

### LANGUAGE STUDY!

Open doors in the Mokhotlong region. **Pray that we will find a place to live.** We need our Lesotho VISA to be processed. **This month we will be traveling to Mokhotlong to see it for the first time, pray for the area, meet some chiefs, and look for housing possibilities. We believe that God would have us to live away from Mokhotlong town and in a village among the Baklokoa people.** Pray that God uses our family to bring the Truth to the Basotho **Pray that we find our Person of Peace** Pray that our Go Deep churches seek God's guidance in how He would use them to serve among the Basotho. **Pray for the volunteer teams that have committed to come to Lesotho. Pray for more teams to come.**

**Until ALL have heard...**
