Dear Prayer Partners,

We have been busy this past month learning language, seeing new areas of Lesotho, attending the local Baptist churches, and seeking new strategies to better reach the Basotho with the gospel. As we continue to focus on learning language and culture, please pray with us for God's wisdom and will to be revealed in terms of a new work area in Lesotho that will lead to a church planting movement.

As we adjust to Lesotho, we find a sense of humor goes a long way. The boys have a friendly game of family competition going on between the two cats. Which one will catch the most rats? So far Zachary's Feline' is in the lead 7 to Eli's Jenna 1. Winner to be announced next month.

As always we thank you for your prayers for our family and the Basotho. Let us hear from you at

Melvins@ilesotho.com.
